

2020 Susan G. Komen® Chicago Metastatic Breast Cancer Conference

General Poster Session Call for Abstracts

Komen Chicago's 3rd Annual Metastatic Breast Cancer Conference will be held on April 3-4, 2020 at the Shirley Ryan Ability Lab. This conference aims to provide education, support, and empowerment for breast cancer survivors, thrivers, fighters, co-survivors, and health professionals. The annual Metastatic Breast Cancer conference covers topics such as: the latest in research and treatment, clinical trial participation, improving quality of life, and building a care team. A poster session, health care professional panel and patient panel will be held at this conference as well as several activities related to mental, physical, and emotional wellness throughout the breast cancer journey. The poster session will be held on **Friday, April 3rd from 8:00-9:30am**. Presenters are welcome to attend the conference which runs from 8am – 4:30pm April 3-4. Information is available on the conference website: <https://komenchicago.org/mbcc2020/>

Please follow the instructions below for submitting your abstract:

Abstracts must be submitted by February 14, 2020 at 5pm CST to mbc@komenchicago.org
